

Thin Client Comparison Guide

Contact Us ~ 0845 108 3030 ~ www.netvoyager.co.uk

Optimum Desktop Computing

- ✓ All devices are based on Netvoyager Linux OS
- ✓ Protected against virus, spamware and pop-ups
- ✓ 3 year RTB warranty (except LX1000 & LX2090)
- ✓ VESA mounting with optional plate (included w/LX-1000)
- ✓ Silent with no moving parts
- ✓ Low carbon emission during manufacture
- ✓ Low power consumption and CO2 footprint during usage
- ✓ Low TCO and high RoI
- ✓ All devices PXE boot
- ✓ Information subject to change at anytime without notice

Netvoyager InFocus Thin Client Management

All Netvoyager thin clients have built-in web and VNC management, but the Netvoyager InFocus software provides additional Enterprise level control over your Netvoyager thin clients.

- ✓ Centralised command & control management
- ✓ Device discovery and grouping
- ✓ Push & pull device configuration
- ✓ Schedule takes
- ✓ Password recovery, shutdown and wake-on-demand
- ✓ Unlimited number of devices can be managed
